4 NOV 1960

LIAISON H-1

MEMORANDUM FOR: Commanding Officer
Aeronautical Chart and Information Center
Washington Office, Detachment 1

ATTENTION: Photo Records and Services Division

SUBJECT: Transmittal of Aerial Photography of Somalia

In response to your request for aerial photography of Somalia, we transmit herewith for reproduction 21 rolls of film negatives.

The photography was flown at an altitude of 19,000 feet using a camera with a 6" focal length lens. It covers an area of approximately 14,000 square miles. The negatives are on loan to this Agency and must be returned to

on or before 9 December 1960. It is requested that caution be exercised in handling this material and that it not be marked in any manner. All of this material is classified CONFIDENTIAL, NOFORN, LIMITED/NO DISSEM ABROAD. In order to expedite the return of this material to the source, it is requested that the rolls of negatives be packaged in containers adequate for overland shipment upon return. Any questions concerning this material should be directed to

Code 163, Extension 4812.
